## QUIET WATERS HAPPENINGS

### QWO Welcomes New Director of Development !

Made possible by a generous grant from [Mission Increase](#), QWO welcomed its newest team member, Mike Stice to this ministry. For the first time in 12 years, QWO has hired Mike to help this ministry fund the vision of QWO. Mike is eager to join the team as the Director of Development for QWO and is enthusiastic about our vision of tripling our outreach to people with developmental disabilities and their families by 2012. He looks forward to using his skills and talents to support the development and growth of QWO as we continue to strive toward our mission: "dedicated to serving individuals with developmental disabilities, their families and caregivers by providing services to restore their spiritual, physical, emotional, and mental health". First on his agenda is getting to know you, our faithful supporters. [Read more about Mr. Stice...](#)

### Rumors of a New B&B In Hillsboro?

Last week, QWO opened it's reservations calendar for our current B&B in Tigard. Within 15 minutes, 6 months of reservations were filled! Unfortunately, we were only able to fulfill less than 50% of the requests for services. Rumors have been circulating that there is a second B&B starting in Hillsboro this Spring...well, I'm here to say those are not just rumors! In the next few weeks, you will be receiving an important announcement, one that will provide hope for many families of people with DD here in Oregon. Keep posted!

### Introducing QWO's New Respite Program Director

At the very heart in the management of QWO's respite services sits our newest team member, Mary-Kate Pritchard! We are very excited to welcome her! Charged with managing [Martha's](#)

[Place](#) and the [Discovery](#) day program, Mary-Kate will work hard to keep the programs running smoothly. "With each position I've held came new challenges, rewards and insight into living in a world that does not always accept individuals because of different abilities. My passion lies with empowering individuals for who they are and the capabilities and aspirations they hold. I look forward to working with Quiet Waters Outreach, gaining more knowledge, enduring new experiences, meeting amazing people and sharing my skills and passion with this community." ## Treasure Night Winter Concert

Jerry Davis and the "Have Gospel, Will Travel" band rocked the house last month with their annual All-Treasure Night Winter Concert. With the generosity & help of [Sunset Presbyterian Church](#), more than 200 individuals were singing about Jesus and dancing in the aisles. This night is focused around getting all of the participating Treasure Night programs together for fellowship and praise. So many dedicated volunteers make this special event possible and we are so grateful to them and Jerry for their dedication to the Lord.
